

CLOSURE OF CAZELAIS ALLEY

As part of project Turcot, the alley located north of rue Cazelaïs will be closed starting from **March 1st until fall 2016**. This closure is needed to build the two first lanes of route 136 (autoroute 720) including the installation of the permanent noise barrier.

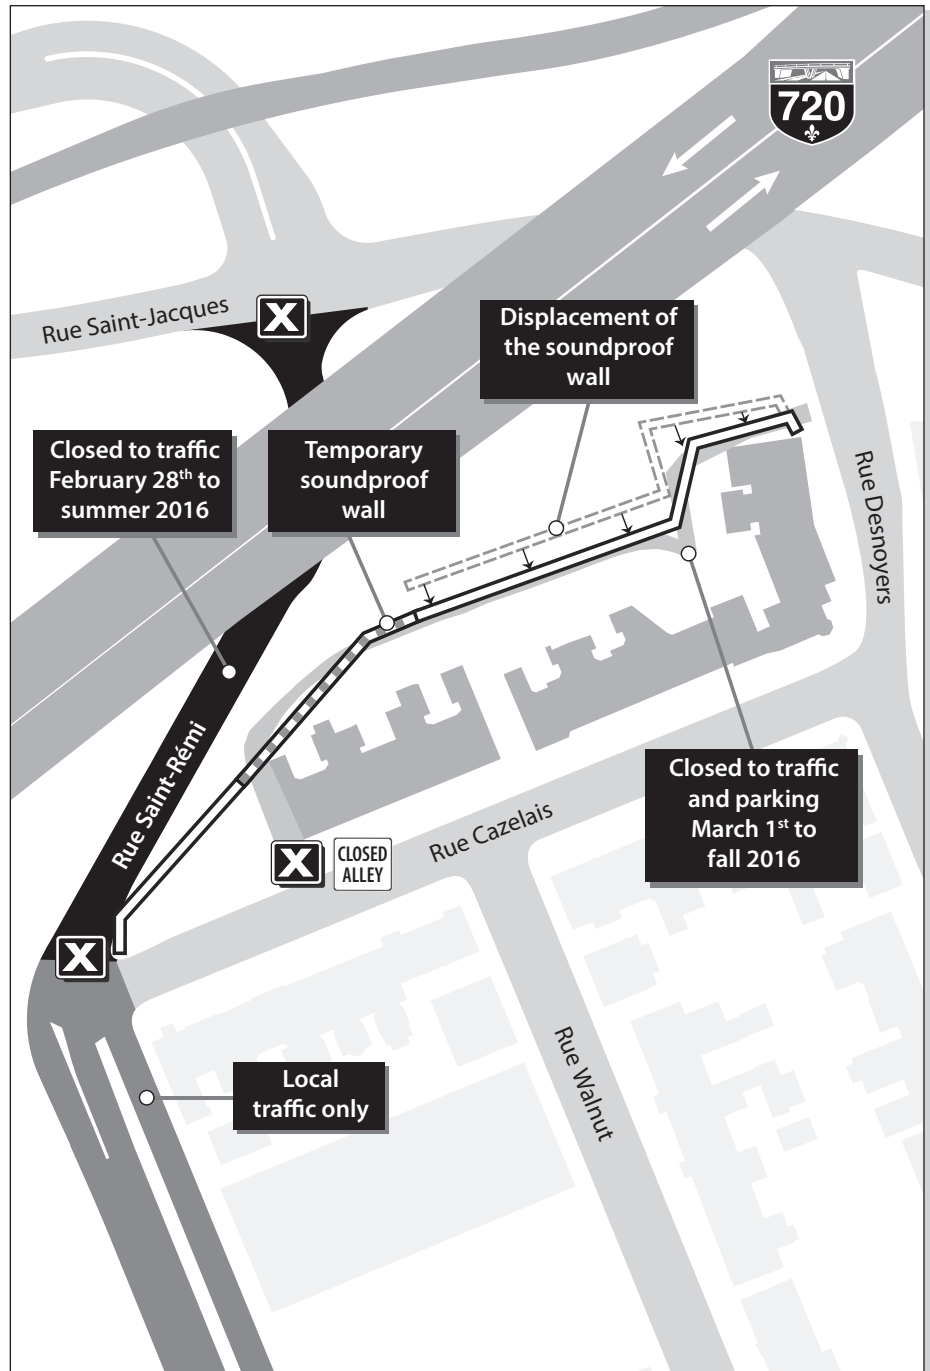

Work schedule

Work will take place mainly during daytime, **Monday to Friday, 7 a.m. to 7 p.m.** Some work may be carried out during the weekend.

Mitigation measures

Some measures will be implemented to limit inconveniences to residents living near the worksite, such as:

- Construction of a temporary noise barrier along the worksite
- Noise and vibration monitoring by team in place
