

CONSTRUCTION OF THE NEW EXIT RUE ATWATER PROLONGATION OF WORK SCHEDULE UNTIL THE END OF AUGUST 2016

August 2, 2016 - The ministère des Transports, de la Mobilité durable et de l'Électrification des transports would like to inform the residents that dismantling work carried out in your area, ongoing since July 11, will continue as an extended work schedule until the end of August. The construction of the new exit will end in November, 2016.

Until end of August 2016

- Dismantling of the infrastructures of the exit rue Atwater

Work schedule

Work will be carried out every day, between 6 am and 9 pm *.

* Please note that different work is carried out at night and during the weekend in the area.

Mitigation Measures

The Ministère is aware of the inconveniences that this work may cause, but the public is assured that all measures are being implemented to complete it as efficiently as possible. These measures include:

- Setting up noise mitigation measures on some equipment (interdiction of slamming doors of dump trucks)
- Installation of noise barriers along the work site area
- Noise and vibration monitoring by team on site
- Water spreading during dismantling to limit dust emission and dispersion
