

## DISMANTLING OF THE SAINT-JACQUES OVERPASS – NIGHT WORK

**September 21, 2016** - the ministère des Transports, de la Mobilité durable et de l'Électrification des transports would like to inform the public that work will be carried out continuously during the weekend of September 23, 2016. Noise levels higher than usual will occur in the area during these operations.

### **Work**

Continuation of the dismantling of the central pier of the rue Saint-Jacques overpass.

### **Work Schedule**

Work will be ongoing 24 hours per day during this period, including Friday and Saturday nights.

These operations will be ongoing during the day and the evening beyond this weekend.

The Ministère is aware of the inconveniences that this work may cause, but the public is assured that all measures are being implemented to complete it as efficiently as possible.
