

Notice to residents

The ministère des Transports, de la Mobilité durable et de l'Électrification des transports wishes to inform you that operations for the dismantling of autoroute 720 ouest will be carried out on **April 7 and 8** in your area.

Please note that **two more weekends** should be required for these operations.

Dismantling schedule weekend of April 7

Saturday and Sunday
7 a.m. to 11 p.m.*

*Other low noise operations outside of this time slot

Sound Climate

Due to the nature of the operations constraints related to height of the structure and limited workspace, the noise levels allowed for the weekend **will exceed the normally allowed thresholds**. They could reach **80 dBA** (from 7 a.m. to 11 p.m.)

Mitigation Measures

- Use of water/snow cannons to limit dust dispersion
- Implementation of noise mitigation measures on certain equipment
- Noise and vibration monitoring by the team on site

Turcot Neighbourhood Committee

A neighbourhood committee, open to the public, has been implemented in your area. By attending these meetings, you can find out more about the upcoming work, and ask questions.

Next meeting: **Tuesday, April 10, 2018 at 7 p.m.**
75, rue du Square-Sir-George-Étienne-Cartier
Montréal
