

Notice to residents

The ministère des Transports wishes to inform you that **daytime operations resulting in very high noise levels will be carried out between May 6 and mid-August in your area.**

Work Schedule

Monday to Sunday from 7 a.m. to 7 p.m.*

*These operations will not be carried out continuously

Work Description

Treatment of the retaining wall with sandblast to apply a coating to facilitate the cleaning of graffiti.

Sound Environment

Due to the nature of the operations to be carried out, the equipment required and the constraints limiting the mitigation measures. The noise levels permitted for these operations will exceed the thresholds normally allowed. **They could reach up to 92 dB, from 7 a.m. to 7 p.m.**

Mitigation Measures

The Ministère is aware of the inconveniences this work may cause. Therefore, every effort is being made to reduce the impacts on the residents, particularly:

- Installation of acoustic panels around certain fixed equipment
- Noise monitoring on site

Turcot Neighbourhood Committee

A neighbourhood committee, open to the public, has been implemented in your area. By attending these meetings, you can find out more about the upcoming work, and ask questions.
