

Notice to residents

The Ministère des Transports wishes to inform you that **daytime operations resulting in very high noise levels will be carried out in your area between mid-July and the end of October 2019.**

Work Description

Treatment of the retaining walls with sandblast to apply a coating to facilitate the cleaning of graffiti.

Work Schedule

Monday to Sunday from 7 a.m. to 7 p.m.*

*These operations will not be carried out continuously

Sound Environment

Due to the nature of the operations to be carried out, the equipment required and the constraints limiting the mitigation measures, the noise levels for these operations could exceed the thresholds normally allowed.

Mitigation Measures

The Ministère is aware of the inconveniences this work may cause. Therefore, every effort is being made to reduce the impacts on the residents, particularly:

- Installation of acoustic panels around certain fixed equipment
- Noise monitoring on site
