To residents and business owners in the neighbourhood

SUBJECT: Invitation to a public information meeting on the reconstruction of the Saint-Jacques overpass (May 15)

Dear Sir or Madam:

As part of the Turcot Project, the ministère des Transports du Québec will be demolishing and rebuilding the Saint-Jacques overpass, which will cause the complete closure of rue Saint-Jacques between avenue Girouard and boulevard Décarie for about two years. To inform you of the nature of the work to come and the mitigation measures that will be implemented to reduce the impacts on the quality of life in your neighbourhood, the ministère des Transports and its partners, including Ville de Montréal and the STM, invite you to a public information meeting.

Thursday, May 15, 2014 at 7 p.m.

Saint-Raymond Community Center (5600, chemin Upper-Lachine, Montréal)

For those who cannot attend the meeting, the presentations will be available on the Turcot website after the meeting.
